

BEST ENVIRONMENT PRACTICE

This category is open to all venues making a conscious effort to reduce their waste, use of water or endeavour to reduce their carbon footprints and have a more positive impact on the environment.

Important: Please ensure that each question is addressed in 100 words or less and that your submission follows the “Written Guidelines” as set out in the entry kit.

1. Summarise the policies in place within your hotel which support environmental best practice.
2. Explain initiatives you have implemented to reduce your energy consumption.
3. Explain initiatives you have implemented to reduce your water consumption.
4. Discuss the various types of recycling programs that have been introduced into your venue.
5. Provide evidence of the difference these recycling programs have made to the running of your venue.
6. Discuss the ongoing plans for the future of the hotel to achieve more positive environmental results.
