**‘BEST OF THE BEST’ CELEBRATED IN HOTEL INDUSTRY’S OWN ‘STATE OF ORIGIN’**

South Australia has scored big at the hotel industry’s own ‘grand final’, with SA hotels winning both Regional and Metropolitan Hotel of the Year awards at the Australian Hotels Association Awards for Excellence in Brisbane tonight.

More than 700 VIP and industry guests gathered at the new Star Grand in Brisbane late this afternoon for what AHA national President David Canny said was hotel industry’s very own “state of origin.”

Host was Queensland’s own The Star Brisbane, while host Tim Campbell and hit makers The Rogue Traders provided top class entertainment.

SA walked away with Overall Hotel of the Year – Regional for **McLaren Vale Hotel** and Overall Hotel of the Year – Metropolitan for Adelaide’s **Arkaba Hotel**.

Tasmania also claimed bragging rights with Overall Hotel of the Year – Accommodation won by **The Tasman, A Luxury Collection Hotel** and the Northern Territory’s **Dundee Beach Tavern** won the Overall Hotel of the Year – Remote category.

The hotly contested Best Hotel Group Operator award went to Victoria’s **Kickon Group**.

A highlight of the afternoon was the induction of hotel industry legend **Justin Hemmes** into the prestigious Diageo Johnnie Walker Hall of Fame, after a tribute by AHA NSW President Scott Leach.

Mr Canny said the awards really did showcase the best in an industry that was world-class.

“The national Awards for Excellence is the hotel sector’s very own state of origin,” Mr Canny said.

“It’s the top venues of each state going head-to-head in a winner takes all contest – the chance to be named best of the best.

“Each and every day all the finalists and their teams work hard to provide the best experience for millions of patrons nationwide.

“Whether its food and beverage or staff members who go above and beyond – Aussie hotels are the best in the world and that’s on display here today.

“Congratulations to all finalists, especially the winners, for all you do for the hotel sector and for your communities. You are all winners in my book.”

The finalists had all won at the state level at award ceremonies earlier this year.
